The 17th Annual Horry County Museum Quilt Gala Winners

The Horry County Museum recently held their 17th annual Quilt Gala Friday and Saturday February 25th and 26th at the Ocean Lakes Family Campground. With over 230 quilted items on display, hourly programs, demos, vendors, and this year's featured quilter exhibit by Sharon Gause the Gala provided something for everyone.

The public votes on their favorite item from five categories; large quilts, medium quilts, small quilts, wearables, and the challenge quilt entrants. Ribbons are awarded to first, second and third place winners in each category and one overall best of show. The Blue ribbon winners will be displayed at the Horry County Museum throughout the month of March.

The Best of Show item is the quilt that received the most votes overall.

2011 Winners
